Subject: RE: Withdraw Notification - QA Training

Hi Sam -

To follow up with you, I just spoke with Linda about this. Angela is out of the office until Monday, August 17; Lee is tied up with the Gold King Mine. From my email, it appears that Angela does show that you completed the Core class on 7/21, however until Angela can confirm your this Linda suggests that you register for the QA Core training on Aug 25. Space is limited and we will not be allowing in those that have not been registered. Once your completion of the July class has been confirmed you can withdraw from the August class to allow others to sign up.

Please let me know if you have questions.

Thanks,
Tom

Hi Sam -

Angela is tracking the completion of training for our QA classes this year. Lee is the instructor. I'd start with Angela. Be sure to let her which class date you attended.

Tom

I actually completed this training and now I'm erroneously getting this message saying I cancelled. How do I get credit for this training or who should I contact? I contacted the IBC

customer service and they are not much help.

Thanks,

Sam
